ERLINDA P. ARAQUIL, MDMG, DPA

City Mayor

City of Koronadal, South Cotabato

Dear Mayor Erlinda Araquil:

I am writing to express my interest in joining your company for any position that matches my qualifications. As a Bachelor of Science in Information Technology graduate, I have gained practical experience through academic projects and internships. I am eager to contribute my knowledge and skills to your organization.

During my internship, I gained hands-on experience in web application development, system testing, and technical documentation, particularly on the PESO-KOR Job Portal project for the Public Employment Service Office (PESO) of Koronadal City. These experiences helped me develop my technical skills, adaptability, and the ability to work effectively both independently and as part of a team.

I am willing to learn, adaptable, and committed to doing my best in every task assigned to me. I hope to have the opportunity to contribute to your organization while continuing to grow professionally.

Thank you for your time and consideration. I look forward to the opportunity to discuss how I can contribute to the City of Koronadal.

Sincerely,

RENZ SONGCAYAWON MARISCAL
